

Dad's HLTA is over

Even though HLTA had to end and Dad has to go back, I'm still an awesome kid
Even though the two weeks went by way to fast, and Dad has to go back, somehow everything will be okay
Even though the holiday is over, and I have to say goodbye to Dad again, somehow everything will be alright

Two weeks went by way to fast
And I feel so sad
I want to cry
The holiday was so great
And now we have to say goodbye
I'm so sad the holiday is over
This goodbye feels worse than the last one
Everybody is so sad, Dad has to go back

I want to be over all these bad feelings about the holiday being over

Dad was pretty tired on the holiday
But we did a lot of great things
It was so great to see Dad, but he has to go back again
I knew I'd have to say goodbye again
But I didn't think it would come this quick
It's been so great having Dad back, and it really hurts to see him go away again
But I know next time he comes home he'll get to stay
It was so good to see Dad again, we had sooo much fun, and I'm glad the deployment is almost over
