

Saying goodbye

Even though saying goodbye to Dad is really, really hard, I know I'm an awesome kid
Even though I really, really don't want to say goodbye, I'm an awesome kid
Even though the worst part of the deployment is saying goodbye to Dad, I know that dad loves me, and I'm a special kid

Saying goodbye is hard
I've said goodbye to Dad before
For shorter trips
And it's not such a big deal
But this goodbye is a big deal
I don't want to say goodbye
I don't want to say goodbye to Dad
Saying goodbye is really hard

I want to be over all these feelings about saying goodbye to dad

I don't want to say goodbye
I feel like crying and crying just thinking about it
I say goodbye to Dad when he goes to work for the day
It's more of a 'see ya later'
But I don't want to say goodbye for 6 months
Because I don't know when I'll see him again
I can't even think what 6 months is like
It's too long

I want to be completely 100% over all this sadness about saying goodbye

I don't want to say goodbye, because it's such a long goodbye
It's been a tough couple weeks, with Dad getting ready to go
But the goodbye is the worst part
Saying goodbye to dad makes me feel so sad
I feel so sad
I feel so sad
I feel so sad
I don't want to say goodbye

Somehow I will be completely, 100% over all these feelings about saying goodbye to Dad

It's a sad goodbye for Mom too.
I don't like to see her cry
Even Dad is really sad
I don't know what to do, when my parents feel so sad
I feel like I don't know what to do with all this sadness
I love Dad and I don't want him to go
I know Dad loves me and he doesn't want to go away from me for so long
I know Dad loves me even when he goes away
